counter-revolutionary organizations and the embassy.

One of the Bolshevik commissioners was instructed to investigate the report, it being supposed that the counter-revolutionists, Savinkoff and Filonenko, were hiding in the embassy. Accompanied by a detachment of scouts this commissioner, M. Hillier, went to the embassy and, proceeding to the first floor, was met by shots which killed one of the scouts and wounded another. A fight ensued in the corridor and the scouts were obliged to fire, it is declared, and Attaché Cromie was killed.

The police then entered the embassy and arrested forty persons, including Prince Schaschowsky. It is alleged that weapons and compromising documents were found in the embassy.
